Dear Faithful Supporters:

Greetings from the children and their families at Hope Academy in Nairobi, Kenya and Calf Creek Hollow in Inez, Kentucky! This has been a very difficult time for many individuals and families as we struggle to deal with coronavirus and the rioting that has caused such unrest and devastation in our nation. I have been praying for these precious children in Kenya and Kentucky as well as our donors and their families and our nation. The funds for support has been scarce due to so many struggling financially. I am praying that those who aren't struggling will continue to provide support to these children. I am also praying for a financial blessing for all our supporters.

The children in Calf Creek and Kenya have started back to school and are in desperate need of school supplies. We haven't been able to provide them with the supplies, but are hoping to have the resources to be able to take care of this need. Please help us again to provide for these children. Their belief in your love and concern about their welfare is unwavering. You have proved to them that you will not abandon them.

Please send your most generous donation so we can continue to support these children. From the bottom of my heart, I say "thank-you" and pray that God will bless you for your generosity.

Sincerely yours,

Marsha J. Grahek, President
